

Enfield Village School

We are a community that values all children, recognizes their individual strengths and inspires them to learn and grow.

Dear EVS family and friends,

We are once again asking for your help to prevent COVID-19 from impacting our school community.

The MVRSD will continue to follow the latest recommendations from the CDC and the NH Department of Health and Human Services. We appreciate your cooperation and support in following these recommendations.

1. Students should stay home and [Get tested](#) if they have [COVID-19 symptoms](#).
2. Please notify the school nurse if your child tests positive for COVID-19.
3. If your child tests positive for COVID, they should stay home and follow the CDC [isolation recommendations](#).
 - Isolation may end at least 5 days after symptom onset and after fever ends for 24 hours (without the use of fever-reducing medication) and symptoms are improving. Wear a well-fitted mask around others for 5 more days after the 5-day isolation period. Day 0 is the first day of symptoms.
4. If you or your child were exposed to someone with COVID-19, you may have been infected with the virus. Follow CDC's recommendations for [what to do if you were exposed](#).

To learn more about COVID-19, please check these trusted resources:

> New Hampshire Department of Health and Human Services:

<https://www.covid19.nh.gov/welcome>

> Centers for Disease Control and Prevention:

<https://www.cdc.gov/coronavirus/2019-ncov/index.html>

Thank you for your support and partnership to keep our school healthy this year.
